All performers are to arrive at competitions in a compulsory studio tracksuit (jacket & matching long, shorts or $\frac{3}{4}$ pants avail for purchase at the studio) with hair & makeup completed. Do not send students wearing costume!! Headpieces, earrings etc should already be pinned in as there is limited changing room space. All costumes should be brought in with students in a labeled costume bag. Students are to bring their hair & makeup supplies backstage so touch ups can be made.
