## Kaela Scott - DANCE

Kaela Scott has had a long and rewarding career spanning over three decades in the dance and performing arts industry. In this time Kaela has trained at some of the most prestigious schools both nationally and internationally including Steps on Broadway (NYC), Broadway Dance Centre (NYC), Millenium Dance Complex (LA), The Edge (LA), Debbie Reynolds Dance studios (LA) Pineapple studios (London), Brent st (Sydney) and The McDonald college (Sydney). With this training Kaela became a very well-rounded performer, excelling in many styles of dance, as well as gymnastics, acrobatics, contortion and American cheerleading. Kaela performed in her first professional musical at the age of seven and since then has worked all around the world dancing, performing, modelling, and choreographing. Highlights of her professional performing career include Disneyland Park (L.A), Universal studios (L.A), Movie

World (AUS), Kelly Rowland, Jessica Mauboy, NRL Raiderettes and a vast array of Broadway Musical credits. Along with the many choreography credits to her name, the most memorable was when she was scouted to attend the world cup in South Africa (2010) to choreograph several fashion parades for Victoria Beckham. Kaela has also been privileged to coach and choreograph for a variety of international teams. Since hanging up her professional dancing shoes, Kaela has gone on to receive a Bachelor of Dance and Physical Education and a Bachelor of Arts and Psychology. Her focus has been on educating the next generation of dancers and for over the last decade has been working full time as a teacher and choreographer, both nationally and internationally. In the last few years, Kaela has been working on the development of her own coaching company, called 'ConfidANCE' after realising the need for dancers to holistically train their minds as well as their bodies. Kaela has a special love of adjudication and judging dance competitions, with both national and international credits to her name (Jump dance convention (USA), ICU world cheerleading championships, Starpower (USA) and in Australia she has been a regular on the adjudicating scene.
