Concert Costumes & Dress Requirements

An invoice for a non-refundable costume deposit of \$50 per concert costume will be sent out at the end of term 2.

Unless previously discussed with staff, it is assumed that ALL students are participating in the concert- therefore costumes will be ordered for all students and dances will be choreographed accounting for all students.

Concert participation is only optional for Baby Ballet and Adult Ballet students - *please ensure you notify staff if you do not wish to participate in the concert.*

Students will have 1 costume per dance that they are in. Once the total cost of costumes has been finalised, an invoice requesting the remaining balance of the costume will be sent out. All costumes for the concert will be sent home during Term 4, several weeks prior to the concert.

Each costume will come with clear instructions on how the costume should be worn, what tights and shoes are required, how hair should be styled etc.

Parents will be required to do their own child's hair & makeup for the concert- or you can book to have this done at Stepping Out Dance World.

Information on how to do hair & makeup will be sent home closer to the concert.
